

Available in two formats:
4:3 and 16:9

EasyFixx Comfort – the ideal solution for mobile use

- Revolutionary development in the area of mobile screens
- **Unrivalled light weight:** max. 4 kg
- Ultra-portable: compact dimensions and easy set-up in no time thanks to an easy assembly system
- Perfect screen surface flatness thanks to the special tensioning mechanism
- **Space-saving** set-up, transport and storage
- Sturdy steel stand, oval, infinitely height adjustable
- 4-point base for the smallest installation area and good stability
- Black border reinforcement for clean edges; the image appears clearer in terms of contrast

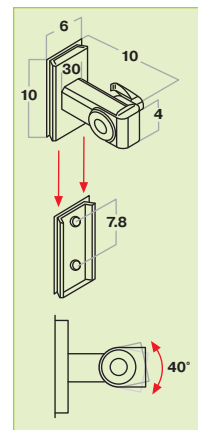

Screen surface

- Front projection, **type D**
- DIN 19045 gain factor, approx. 1.2
- Matt white, foil base
- 5 cm black border
- Back: grey, virtually opaque

Screen surface type S on request
