

## Frame Budget – provides the right framework

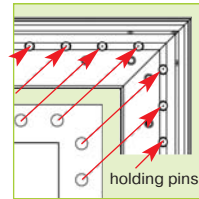

- Sleek, inwardly bevelled aluminium frame in black (approx. 8 cm wide)
- Easy assembly of the frame (snap-on system)
- Suitable for wall mounting only
- The projection area has eyelets which are plugged in holding pins on the backpick of the frame. Thereby an easy and optional tension of the fabric is possible
- Ensures a permanently flat screen surface for excellent images

### Screen surface

- Front projection, **type D**
- DIN 19045 gain factor, approx. 1.2
- Matt white, foil base
- Back: white
