

RollFix Premium Hand Crank Pro – professional large-sized projection even without electrical installation

- Removable hand crank prevents unauthorised use
 - User-friendly thanks to smooth-running crank drive (at the right side)
 - Projection surface infinitely adjustable
 - Can be wall or ceiling mounted; universal mounting angles are part of the delivery standard
 - Suitable for installation in suspended ceilings with accessories
 - **FM = Flexible mounting angles for direct on-wall or on-ceiling mounting. Each angle has 55 cm of adjustment in ceiling-section slots allowing freedom for positioning on the casing. The angles can be set to suit the attachment points available in the room**
 - For integration into a suspended ceiling a functional, innovative installation housing or an installation frame for a clean ceiling finish (refer to page 23) are optionally available
 - Projection surface is flush with casing thanks to conical weight bar
 - Square steel casing (1.5 mm thick), cross-section 10 x 10 cm and 12 x 12 cm
 - Casing colour: white, RAL 9003
- Screen surface**
- Front projection, **type D**
 - DIN 19045 gain factor, approx. 1.2
 - Matt white, woven fabric base
 - Back: opaque
 - Front projection, **type S**
 - DIN 19045 gain factor, approx. 1.7
 - MW-Novalux, on a woven fabric base
 - Back: opaque
